Dear: Grand Nurses Training Directeur,

I would like to introduce myself to all of you, so you all know a little about me. I have been a member the Forty & Eight for twenty-six years and have held the Offices of Chef de Gare locale twice and Grand Chef de Gare du Oregon 2009-2010. I was the Cheminot Nationale 2011, and I am currently the Grand Advocate and the Grand Nurses Training Directeur for Oregon and on the Natioanle level I am on my seventh term as Sous Directeur Nurses Training. I am an American Legion Past Department Commander 2008-2009 from the Department of Oregon and Past American Legion National Sgt-at-Arms. The goal this year is to build on the great things the North East

**NURSES ARE NEEDED NOW!**

has done in the past, with your help we can do great things this year. We continue to read and hear about the Nations Nursing shortage and there is no better time to put our efforts to work and increase the money helping students become Nurses. That is who we are and what we stand for, service to others. If we all work together anything is possible. I will be sending information out each month to help encourage our members to increase the awareness of the Nurses Training Program. I believe that the path we take to get to our goal sometimes is the reward we receive rather than the end goal. The value we place on our membership to this

great organization will help us promote the Nurses Training Program, to levels we have never achieved before. I am here to help cheer all of you on so we all can make a difference together as a team of one. I would like each one of you to communicate back to me, to share ideas and to spread the word on the great work you do in your Grand. The goal is simple: "Achieve 100% reporting, increase the number of nursing scholarships by at least one in every Grand", see more Boland Scholarships used, and increase pin sales in the North East Region.

To get the pins need for your Grande please contact Ernest Lane, he would very happen to provide all the pins you would need to reach your goals.

Please direct all checks/monies/donations to our Secetaire/Treasurer Terry Sharpe and ask them to include their invoice order #. His contact information is the following;

Please review pin consignment report, if you have a goose egg please order pins to help out our program. The NE is the best, so let's show the other regions who the best really is.

I am providing some Nurses Training visual aids to help distribute your pin and also some guidelines to help navigate what is needing to use the Boland Trust Fund. I thank you for this opportunity to serve the Forty & Eight at the Nationale level.

In service to our Country,

Kevin J. Owens
