Dear: Grand Nurses Training Directeur,

Fall is upon us and our Nurses Training Program is well under way. All Grande's should have their pins distributed to their locales. Please take the opportunity to explain the sale of the pins to everyone as it is not about the cost of the pin, rather the use of the money donated that helps support one our premiere programs. Remember that no one wins if you are not willing to take part in the game. Please sell pins!

To get the pins need for your Grande please contact Ernest Lane, he would very happy to provide all the pins you will need to reach your goals.

Please direct all checks/monies/donations to our Secetaire/Treasurer Terry Sharpe and ask them to include their invoice order #. His contact information is the following;

The long-term goal of our area would be to have each Voiture have a Nursing Scholarship, but we all know that membership varies, and dollars are sometimes short. Please communicate to your Locale Directeur's and they should be able to partner you up with other Voiture's in the area. Remember every dollar we can pool together is one more person we could help. This month we celebrate Veterans Day and Thanksgiving. When we look over the past year seeing all the great things that our lives bring and the pleasure we feel when we help someone less fortunate than us. This becomes clear as I get older and realize how blessed I am to live in a country of such caring people and the opportunities that have been given to me. No matter how bad we feel we all know that there is someone that is worse off than us. Please take the time to help reflect on the important responsibility that we make the Nurses Training Program better by the actions we take. It is not about pins and bulletins but the role we take to increase the awareness in your area of the need for Nurses. We all have ideas and hope you will communicate them to me to share with others. I offer to all of you the help needed to make your program the best. I wish all of you a very Happy Veterans Day and Happy Thanksgiving. I hope that you all take the time to enjoy the wonderful things you do for the Forty & Eight.

Please review pin consignment report, if you have a goose egg please order pins to help out our program. The NE is the best, so let's show the other regions who the best really is.

I want to wish everyone a great Veterans Day you deserve it, and a Happy Thanksgiving enjoy the time with family and friends.

In service to our Country,

Kevin J. Owens
