Greetings fellow Voyageurs

Well spring is here in the midwest and grass is greening up and flowers blooming. What does that mean for us in the Forty & Eight? Time to start growing our projects again and working on our programs. My Locale Voiture 1103 in Kokomo, IN just wrapped up a weekend fundraiser held at a Veteran friendly restaurant. We are raising funds for our Nurses Training program and our Child Welfare Program. When we are done we will have raised \$1000.00 dollars for them. Why am I telling you this? Two reasons fundraising and then reporting to your Grand and then to National. Reports are due to National Child Welfare Director Joe Donovan by July 15th, 2021. National Child Welfare Director Joe Donovan also has a couple of Grands that have not paid for their pins this was due April 1, 2021. Please get those payments in ASAP so he can clear his books. The new pins have been ordered and should be available by the

middle of next month. Same pricing as last year with orders of 100 or more prepaid receiving a .25 cent discount at \$2.75. Pins on consignment still pay the full price of \$3.00 ea. National Child Welfare Director Joe has also asked that we be thinking of a new design for our 2022 pins. The new design will be approved at our National Promenade in Springfield, MO. Thanks again for all you do for our Child Welfare Program and the Forty & Eight in your service
