Greetings POW/MIA Team and Fellow Voyagers,

It is hard to believe just how fast time has gone by and March will arrive in a few short days! It is also hard to believe that we do not have 100% membership in our great organization. It should be obvious to all that we as an organization are in trouble. We, as a team, have got to start promoting what we do and engage our current membership. If we continue to do the same things we been doing, we are going to continue to get the same results. I am so thankful for our great organization and the programs it represents especially the POW/MIA program. The POW/MIA program helps families continue to pay honor to their love ones service and is at the very foundation of our organization. I want to thank all of you that have contributed your time and money to promoting this amazing program so far this year! I appreciate your understanding the cause it represents.

As we look ahead, remember the past, the present, and the future of our military. This is the time of year that we have the opportunity to not only promote our POW pins and what they represent but also our scholarship program for the upcoming year. We have got to start promoting our incredible programs throughout our communities. By doing this, it can and will open the door to new Voyagers and grow our membership. Most people when asked have no idea what our programs are and have no knowledge of our organization. It's up to us to make sure that people know our organization and the great programs we offer.

There are certain key words that stand-out to me when reading our Preamble such as ***“defend, promote, participate, observance, preserve and encourage others”***. It doesn't matter what your age is or what branch you served in or what rank you achieved while serving our country. What does matter is that you do participate in and promote our organization and persuade others to participate in order to preserve not only our organization but also our American way of life.

We are in challenging times, keep all in your prayers!

Tony Cross
